Weekend Ski Trips

The Crescent Ski Council offers a number of different weekend trips to resorts in North Carolina & West Virginia. While the primary focus of these weekends is racing, you can still buy your lift ticket through Crescent to take advantage of their group pricing. If you're interested in racing, check out the Crescent Racing page and talk to our racing director, Gary Woolfolk, to learn how qualifying & racing works. It's a lot of fun and you'll compete against a small group of people who ski like you do so don't think you have no chance of winning just because you're not a speed demon! Racing will improve your skiing simply because you must turn at each gate, forcing you to control your speed and keep your head up. But even if you don't race, the weekend trips are a good way to warm up for a week-long trip elsewhere. The 2016-2017 season's trips are:

- Dec 17-18 — Appalachian, NC
- Jan 7-8 — Sugar Mountain, NC
- Jan 28-29 — Wintergreen, WV
- Feb 11-12 — Beech Mountain, NC
- Feb 25-26 — Sugar Mountain, NC
- Mar 10-12 — Snowshoe, WV

More information (including race results) is available on [the Crescent Racing web page](#). Click on the logos below for more information about each of the resorts.

Snowmass, CO — January 2-8, 2017

Our first trip of the 2016-2017 season has a different twist to it. This will be a Kids Trip to Snowmass, Colorado! While we welcome everyone, we're especially encouraging families with children to attend this trip as it will occur during many schools' winter break.

We'll be back at [Top of the Village condos](#), a ski-in/ski-out lodge that is located at the base of Snowmass, next to the lifts and restaurants. Most of our condos are 2-bedroom/2-bath but there are some 3-bedroom condos available.

We will be flying United Airlines directly into Aspen and from there it's only a 15-minute ride to the Top of the Village condos. As usual we'll work with [Black Tie Ski Rentals](#) to have our equipment brought to us.

Full package without lifts: \$1596
Land-only without lifts: \$1009
Adult 5-of-6 days lift tickets are \$353

Lift tickets are good at all four area resorts: Aspen Mountain, Snowmass, Buttermilk and Aspen Highlands.

We will have a great time! There are 32 lodging spots reserved and 32 air spots reserved. While there is a possibility we will be able to expand, we'd have to do so early because Top of the Village sells out quickly since it is so popular.

This trip is sold out. Contact the trip leader to be put on the waiting list.

Steamboat, CO — January 14-21, 2017

We are returning to one of the most popular resorts in the United States, Steamboat! Steamboat has been dubbed “Ski Town USA” because it is home to so many Olympic ski athletes. The draw of this ski resort is its world renowned tree skiing found on its massive mountain, the casual yet festive atmosphere of the Steamboat ski resort itself and, of course, the Champagne Powder®.

We'll be staying in 2 bedroom/2 bath condos at the Torian Plum, a ski-in/ski-out property located next to the Christie chairlift and an easy ski down to the gondola. (Also located right behind Slope-side Grill!) Each unit has a fireplace, full kitchen, daily housekeeping, a private shuttle, indoor & outdoor hot tubs, a fitness center, in-unit washers and ski lockers. Pricing is based on 4 people per unit.

Full package includes round-trip airfare on United Airlines into Hayden, CO (a short drive from town), 7 nights lodging, ground transportation, group dinners and socials. The land-only package excludes air transportation.

Telluride, CO — March 4-11, 2017

Join your local "Wildlife" crew as we venture back to one of our all time favorites! Rated most recently by Ski Magazine as the #1 resort for Views and Character, as well as Top Ten for terrain, nightlife, dining, and grooming, Telluride offers something for everyone.

Being off the beaten path, you can expect to find wide open runs and short lift lines with whatever type of skiing you desire. Over 60% of the terrain is rated beginner or intermediate.

We will be staying at the Bear Creek Lodge Condos again where we'll be in 3 BR/3 BA units. From there it's just a short funicular ride or ski path to the Village Core or the Gondola. We'll also have access to the Bear Creek Shuttle that can transport you to local shopping areas, etc.

Located 65 miles south of Montrose airport (MTJ), Telluride is a ski resort that traverses two box canyons and has grown over the years to nearly 2,000 skiable acres. Telluride has plenty of powder, tree skiing and steeps. This is the terrain that many people have come to associate with Telluride Ski Resort, but 60% of the mountain is beginner or intermediate terrain. Telluride's remoteness is also what makes the resort special. Weekend warrior skiers from the big cities don't get there by car! This makes Telluride a more out-of-the-way, full-service ski resort with exceedingly short lift lines.

Full package includes: round-trip air from Nashville to Montrose, mountain transfers, 7 nights lodging, club dinners and socials.

Full package: \$2094 incl 5-of-6 day lift tickets, \$1635 without
Land-only: \$1433 with lift tickets, \$974 without (excludes airfare & ground transfers)
